About the property

This building provides well-considered spaces, enhancing lifestyle for people with higher support needs with the provision to install ceiling hoists as required. Interior layouts maximise sunlight and cross-ventilation, it is truly a place to relax and unwind.

This development is the first of a number of stages and boasts a landscaped courtyard with surrounding sanctuary, both offering a place of retreat and recreation for tenants and their guests.

With a focus on maximising storage with luxurious bedroom and bathroom spaces, these apartments exemplify the advantages of apartment living. Well thought out kitchen and bench space with intelligently designed en-suites provide a generous allowance of usable space. The apartments have also been installed with industry leading home automation capability with access and safety front of mind.
