About the property

The house comprises four bedrooms, three for residents and one for support staff. The home has large open plan living areas, multiple bathrooms, and an accessible backyard. The property is available now.

The house is fully accessible and meets the 'High Physical Support' design category. The house is assistive technology ready.

There is 1 vacant room, which has double wardrobes, privacy blinds, is fully carpeted and has ceiling hoist provision for installation.

This is an enrolled Specialist Disability Accommodation (SDA) property. Therefore, you would need to be eligible for the appropriate SDA level of funding in your NDIS plan with 'High Physical Support' design category.
