## About the property

Bedroom only

This site is compliant with NDIS requirements for SDA with a mix of:

- Improved Livability
- Fully Accessible design categories available.

Conveniently located 19 kms from Sydney's CBD, 5kms from Parramatta and 8kms from Homebush, the apartments are close in proximity to supermarkets, medical centres, schools and bus and railway networks, as well as a strong employment corridor providing roles in a range of diverse industries including retail, construction, medical, manufacturing and automotive.

This mix of 1 and 2 bedroom spacious apartments have been designed to support a variety of specialist care needs and include wheelchair and walker accessible features throughout, state of the art security camera system with remote access, security gates and on-site resident parking. The site also provides for on-site support including overnight support to ensure needs are met.

The average apartment size (internal area) is 70.2 square metres, providing a spacious and well utilised environment for you or your loved ones' daily needs.
